**GAME**  
PARTY GUIDE

# PRE-GAME

**There is nothing like good friends, good football, good food and of course good drinks** right in the comfort of your own living room. And since there's nothing frilly about football, there's no guilt in keeping it simple with a buffet of finger foods. Here are some menu items that require minimal preparation and are sure to score with your guests.

**PARTY  
TIP 0-1**

## Beer & Cheese Soup (8 servings)

- |                                 |  |
|---------------------------------|--|
| 1 stick butter                  | 4 cups or 1 (32 oz) box of chicken broth*      |
| 1 cup chopped onion             | 6 tbsp flour                                   |
| 1 tbsp minced garlic            | 4 cups half and half or cream                  |
| 3-4 leaves fresh basil          | 8 cups shredded (natural) sharp cheddar cheese |
| 2 tsp worcestershire sauce      | Fresh Ground Pepper                            |
| 2 bottles Land Shark Lager      | Bag buttered microwave popcorn                 |
| (or golden beer of your choice) | Bacon (optional)                               |

Sautee onions and garlic in butter in large soup pot until onions are opaque. Add one of the bottles of beer and bring to a soft boil. After 5 minutes add all of chicken broth except for ¼ cup, fresh basil, and bring soup back to a boil. Lower heat to medium-low and simmer.

Combine flour with remaining chicken broth and stir until smooth- set aside.

Add half and half and cheese to the soup. Stir constantly until cheese melts, then slowly stir in flour mixture, making sure there are no lumps.

Simmer covered on low heat for one hour or transfer to crock pot for 2-3 hours on low heat before serving. Stir occasionally. Salt and Pepper to taste.

Add second bottle of beer right before serving. Garnish with popcorn and crispy crumbled bacon (optional).

\* If you like a thinner soup, add 1-2 additional cups of chicken broth.
